I believe these people are intentionally talking about me because they make references to the things I say and do like I write things they say down, and I once believe voodoo was put on me. They also make references about Dennis Ratner, Barbara and Renee whom I use to work for and with. I have indirectly confronted Janet, Hollis and Mia on some of the comments they have been making towards me indirectly. When confronting Valarie, I asked Dominic to stand in and Mr. Sida to preside over us.

I am asking the courts to award me the sum of \$358,000,000.00 for having to suffer through and endure such horrific treatment which I believe they intentionally inflicted emotional distress upon me for nearly a year now.
